**COMMENTS:**

This bill would make various statutory changes to implement and conform to the unification of trial courts pursuant to SCA 4.

SCA 4, as approved by voters on June 2, 1998, provides for the abolition of municipal courts within a county and for the establishment of a unified superior court for that county. SCA 4 also provides for the qualification and election of the judges and revises the number of jurors required in certain civil actions.

This bill's changes to the Revenue and Taxation Code are technical. This bill would not affect the Franchise Tax Board in its administration of the income tax law.
